

VIBRANT ICON, FLOURISHING GOALS

Astrum Avenue is a Transit Oriented Development and a commercial neighbourhood that brings its stakeholders, tenants and patrons added value with its strategic location in KL and innovative HOPSCA concept.

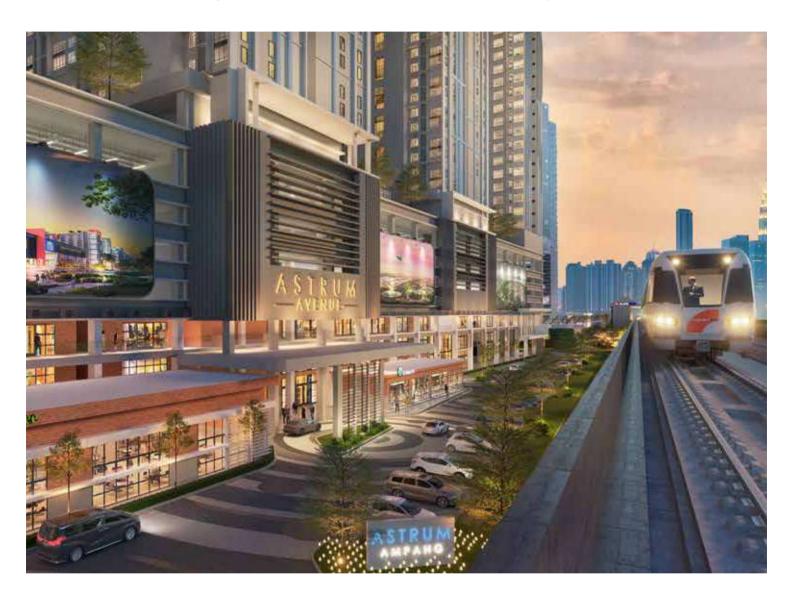

HOPSCA stands for Hotel, Office, Park, Shopping, Connectivity and Apartment – a new concept that brings people from all corners of KL together via the convenient Jelatek LRT station which links directly to the commerce square and is just 4 stations from KLCC.

WELL-DESIGNED SPACES

Astrum Avenue is a mix of urban refinement and natural greenery where business owners and patrons will find green landscapes dotting the wide frontage of the commerce square.

8m-high ceilings invite ample natural light to grace each interior, and with the wide storefronts maximising visibility, Astrum Avenue is set to attract a constant stream of patrons.

KEY BENEFITS:

Transit Oriented
Development (TOD)

Strategic location

Wide main road frontage

<u>LEGEND</u>

DELIVERING SUCCESS FOR OVER THREE DECADES

As one of Malaysia's well-established property developer, Setia Awan has been a luminary in the industry for over thirty years and is seen making great strides within several states in Malaysia.

From Perak, where its headquarters is, to Melaka, Negeri Sembilan and Kuala Lumpur, Setia Awan sticks to its principles of keeping its projects affordable, practical and functional while creating economic and job opportunities in the multiple townships.

The company's continued success is a result of believing and practising its core values-innovation, sustainability and quality-which is a kind of dedication luminaries like Setia Awan acquires.

Setia Awan

Making Dreams Possible

A STAR IN THE BUSINESS

Proven track record of Setia Awan's successful developments (residential, commercial and retail) across the central region of Peninsular Malaysia.

STRATEGIC CONVENIENCE

Astrum Avenue is set in a strategic location surrounded by reputable landmarks and easily accessible via DUKE and AKLEH Highway.

Just 4 LRT stations to KLCC, this commerce square sets to become the next one-stop gathering hub for leisure and business.
